1) I have the honor to forward herewith, a copy of letter No. A6-5856 41-42 dated 24th June 1943, received from the Deputy Commissioner, Kadur District, on the above subject.

2) It is reported that Kalasa is an important village, situated at a distance of about 36 miles away from Mudigere; that the people of Kalasa and the neighbouring villages have been pressing for the opening of a combined dispensary there. The Senior Surgeon is also of the opinion that it is necessary to have a combined dispensary at Kalasa, as it would serve a population of nearly 10,000. Certain philanthropic gentlemen have come forward to construct the necessary buildings, an initial expenditure of Rs 300 and a recurring expenditure of Rs 660 p.a., have to be incurred. The Village Panchayets concerned, have agreed to pay their share of contribution towards the initial and recurring expenditure. The Deputy Commissioner requests sanction for making a contribution of Rs 50 towards the initial expenditure, and, Rs 110 p.a., towards the recurring expenditure from the funds of Sri Kalaseswaraswami Temple at Kalasa, as all the villages roundabout Kalasa, depend on the temple funds for any amelioration to be effected in Kalasa; and the dharmadarsis of the temple have resolved to meet the above charges.

3) I agree with the recommendation of the Deputy Commissioner; and request that sanction of Government may, kindly, be obtained to the payment of a contribution of Rs 50 towards the initial expenditure, and, Rs 110 p.a., towards the recurring expenditure of the dispensary.

4) As proposed by the Deputy Commissioner, a provision of Rs 110 has been made towards contribution to recurring charges in the revised scale of the temple, recently sanctioned by me.

5) The connected records are enclosed herewith, for reference and kind return.

I have the honor to be,
Sir,
Your most obedient servant
M N Ramachandra
Assistant Commissioner
for Muzrai Commissioner.

Sir

Subject:- Opening of a Combined Dispensary at Kalasa.

I have the honour to state that the people of Kalasa and the neighbouring villages have been pressing for the opening of a Combined Dispensary at Kalasa, as the nearest dispensary for the ladies at Mudigere is 36 miles away from the place. The Senior Surgeon, who was consulted in the matter, has replied in his letter No.C/C.396-5 dated 17th May 1943 (copy enclosed) is of opinion that it is necessary to open a combined dispensary at Kalasa as it would serve a population of nearly 10000/-.

Messrs. 1. K.P.Narasimha Prabhu, K.P.Raghunatha prabhu, and S.Nagapathi Bebbar have come forward to construct the necessary buildings and action is being taken to have the plans and estimates prepared. There is therefore no necessity to insist upon contribution from the local bodies towards the cost of the construction of the dispensary building.

Initial and recurring expenditure:- For the opening of the combined dispensary (i) an initial expenditure of Rs.600/- and (ii) a recurring expenditure of Rs.660/- has to be incurred in equal proportions from Government, District Board and the other local bodies that may be benefited by the Dispensary. The share to be borne by the village panchayets is Rs.200/- for initial expenditure and Rs.220/- for recurring expenditure. The Kalasa village panchayet have agreed to contribute Rs.50/- for the initial expenditure and the Dharmadarsis of Sri Kalaseswara temple Rs.50/-. The following panchayets have agreed to contribute the amounts noted against each:-

| | | |
|---|---|---|
| 1. | Kalasa village panchayet. | Rs.70 |
| 2. | Ambinakodige -do | 10 |
| 3. | Koranagu -do- | 5 |
| 4. | Kalagar -do- | 5 |
| 5. | Karagange -do- | 10 |
| 6. | Samse -do- | 10 Total:-110/-. |

The rest of the amount of Rs.110/- to make up Rs.220/- has been agreed to be paid out of the Sri Kalaseswaraswamy temple fu

Sri Kalaseswaraswami Temple funds by the Dharmadarsis of the temple as resolved at their meeting held on 21-6-1942. As the annual income of the panchayets does not permit them to contribut anything more and as all these villages depend on the temple funds for any amelioration to be effected in Kalasa and as the temple funds is the only source from which this can be met, kind sanction for meeting these contribution of Rs.50/- towards the initial expenditure and Rs-110/- per annum towards the recurring expenditure from the temple funds may be accorded, as the amount will be utilised for a charitable purpose. The amount at the credit of the temple funds was Rs.11765-14-0 on 23-2-1943.

As the Kalasa village, it has a population of about 2000 persons and the village panchayet can afford to pay Rs.70 annually.

I have the honour to be

Sir,

Your most obedient servant,

Deputy Commissioner,

Kadur District.

Subject: Opening of a Combined Dispensary at Kalasa.

--

With reference to your letter No.A6-C.5856/41-42 dated 6-4-43,I have the honour to state that the District Medical Officer,Kadur District who was consulted about the necessity for the opening of a combined dispensary at Kalasa states that if the services of a lady doctor are available,there is every likelihood of a greater number of women patients attending the dispensary. He adds that the combined dispensary will serve all the villages of the Kalasa Hobli, with a total population of 10257. It is reported that as Kalasa is situated in the interior portion of the Malnad and is 36 miles away from the nearest dispensary for women it is very difficult in cases of emergency to obtain the services of a lady doctor. He is therefore of opinion that it is necessary to open a combined dispensary at Kalasa. I agree with the District Medical Officer.

From your letter it is observed that the marginally noted gentlemen have come forward to extend the present dispensary building so as to accommodate the combined dispensary and also to build a maternity ward of three beds. On receipt of the plans and estimates for the works, necessary further action will be taken.

Messrs.K.P.Narasimha Prabhu and K.P.Raghunatha Prabhu and Mr.Raghupathi Hebbar.

As the Kadur District Board have agreed to contribute 2/3rd of the cost towards the opening and maintenance of the combined dispensary, I request you to favour me with the resolution of the Kalasa temple authorities agreeing to contribute Rs.50/ towards initial equipment and Rs.110/- per annum towards the recurring charges. The sanction of the Revenue Commissioner has to be obtained for the contribution to be paid by the concerned village panchayats for the balance of cost on this account.

On receipt of your definite reply my final proposals will

my final proposals will be submitted to Government for the opening of a combined dispensary at this place.

Certain philanthropic persons of the locality have undertaken to construct the necessary buildings for the combined dispensary and a maternity ward of three beds. The D.C. He however recommends that as the annual income of the Village Panchayets concerned does not permit them to contribute more than Rs. 50/- towards the initial charges and Rs. 110/- towards the recurring charges, the balance required to meet the above charges, equal to the contributions of the Panchayets, may be met out of the funds at the credit of Shri Kalaseshwara Swamy Temple, as agreed to by the Dharmadarshi's.
